INTEREST compounded is shown in the following to be a rather successful way of saving money: A deposit of \$20 made in the Newburyport institute for savings in 1820 now calls for interest amounting to \$808. No one has ever claimed the original deposit and no ad-Lition lins ever been made to it

W. T. STEAD, the former editor of the Pall Mall Gazette, has on foot an enterprise for the translation of the Scriptures "into the language of the ordimary man and weman of our own time." He has eighteen translators at work on the New Testament, divided into groups Lon V. Stephens; for attorney general, at Dubuque, fa., are fussing over confifther or four, and he expects to publication of three or four, and he expects to publication of the confidence lish the Gospels and Acts this year.

The creation of the offices of assistant secretary of war and assistant see retary of the navy made it necessary to provide flags for their rank to be displayed on eccomonial occasions. The assistant secretary of the anyv. Mr. Soley, will have a flag similar to that of the secretary of the navy, with the for \$75,000. colors reversed-white ground, blue

emerged from her retreat in London the other day at the call of charity. At the Catholic bazar, opened by Lady de Trafford, Mary Anderson, looking as as ever, was not only amonand autographed her own portraits to increase the proceeds of the sale of the work, which are to go toward the maintenance of the Catholic schools.

THE Japanese are a cleanly people in many respects. They are fond of bathing. In the city of Tokio there are over 800 public bath houses, In which a person can take a bath, hot or cold, for a mm equal to one cent. Most of the Jupanese prefer warm baths, and very likely this is the reason why their complexions are usually smooth, clear and spotless. The people of this country might do well to adopt the bathing habita of these interesting people.

Buazza may be called upon to pay indemnity to Uruguay on account of recent depredations by citizens of the bigrepublic. A band of republicans from the state of Rio Grande do Sul, in Bra zil, invaded Uruguny territory at Mangueros, sacking the bacienda of Senor Macici and cutting the throat of Juan Castellanos, a federal partisan. Another body of Brazilian republicans, com-

'Tim Women's Christian Temperance ment which is likely to interfere not only with the saloonkeepers, but with the trade of the soda fountain and the numerous venders of summer drinks. Mrs. Matilda Case, of the organization mentioned, obtained leave to place in the post office building an automatic fountain containing a standard temper nnce drink to be sold at one cent a glass. Other public buildings will probably be furnished with the same boon for the

THE United States quartermaster-general's recent historical statement in regard to the national flag has caused some discussion in London. Tracing the original to the Washington coat of arms, a correspondent of the Times writes that "the stars and stripes of the Washington family" can be seen on an old monument in Trinity church Another traces the stars and stripes on the monuments of Washington's ancestors at Sulgrave, Northamptonshire Another states that a family of Washingtons, who are descended direct from patriot's grandfather, still holds a farm at Holyland, Bickenford, and that a tombstone in the Chester cathe dral marks the grave of George Washington's first love. These writers concur in scouting the notion that the United States flag originated in Mrs.

COUNTY COMMUNIONER BALLAND, of San Francisco, is the possessor of a rare and curious gold coin, which fell into his hands in California in 1849. It is a Mormon five-dollar place, and for many years has been employed as a charm or bungle on Mr. Ballard's fob chain. The owner himself was a 'tiler, and took part in the somes of the early gold ex-citement in California. He says that the Mormons, who were among the earliest in the gold fields, returned to Salt Lake with great quantities of the precious yellow dust. Much gold also found his way to Utah through other avenues. Brigham Young, who was at that time running a little governmen on his own account, established a mint and coined probably \$1,000,000 in five goon found their way to California and

Disastrous Confingration in the Michigan
Lumber City - Thirty Blocks Burned
Over - Several Victims to the Flames.

Desporate Attempt on the Life of BAY CITY, Mich., July 26,-The great at conflagention which ever visited his city broke out at 2 o'clock yester day afternoon in the lumber manufac-turing establishment of Miller & Turns r, situated on the west side of Water street at the foot of Twenty-ninth street. A brisk wind was blowing at he time, which fanned the flames into a roaring conflagration and swept across Water street into the settled diswhere the fire crossed, was built up with stores, hotels and with stores, hotels and restaurants. Nearly all the buildings were contructed of wood and burned like tinder. The wind increased as the flames rogressed, and in an hour the fire had

onsumed Miller & Turner's entire docks, dry kilns and a large quantity blocks eastward, cutting a swath two medium height and fairly well dressed chlocks wide. At this point the path of the conflagration broadened and block after block was swept over with aston ishing rapidity. Thousands of men, women and children rushed about all engaged in removing furniture and other household effects from before the advancing flames. Every vehicle adapted to the purpose was on the ground. At 5 o'clock about thirty blocks had been burned over, while twenty more

were supplying fresh fuel to the devour-When the chief of the fire department first realized the extent of the danger he telegraphed to Saginaw, Flint and Detroit for assistance. Saginaw and Flint responded, each city sending an engine and quantity of hose. Nearly all of West Bay City's equipage came to the scene of the disaster and lent such assistance as lay in the power of the playing on the fire, the flames pursued conflagration was still sweeping toward the eastern limits of the city. While As was his

FRICK'S ASSASSIN.

The Attempted Assassination of Massager Frick Thought to Be a Deep Luid Scheme of Assashists -Bergman in Kassas. Pirrisuungii, Pa., July 26.—The police authorities are convinced that the attempted assassination of H. C. Friels was an anarchistic plot that may be us great in scope as that for which Spics and his companions were hanged. They have names of a number of persons in New York, Long Branch, Hoboken and other places whom they think were implicated and telegrams have been sent to have them arrested, Until they are in custody the names will not be made public as the police fear It was a few minutes before 2 o'clock the death of Herr Frice, has disapwhen a dark complexioned young man, with a Jewish east of countemnee, of About 2 o'clock yesterday Detective Shore arrested Casper Knold, a World man, at Taylor & Bean's wire mill on Market street on a charge of being an accomplies of Bergman. It was known that Bergman and Knold had been together before the attempted assassination and the police have been working hard to run him down. Yesterday after-noon they succeeded and he was at once taken to the police station and locked up. The arrest proved to be an impor-tant one as much about Bergman's pre-

vious movements were learned through Later the police searched Knold's louse and discovered a large amount of anarchistic literature, some of it of the most incendiary description. Among the stuff enphased were letters from anarchists in Chicago, New York, Hoboken and other places. Knold afterward admitted to the police that he had received several letters from Most concerning

Bergman, and that Most told him that Bergman was a bad manhouse until at 8 o'clock upwards of 300 office. A few minutes later shots were dwellings had been destroyed and the heard and the cry was raised: "Frick Bergman, the would be marderer of "PORTURED OF KANSAS." Mr. Frick, spent the first three years of As was his custom Mr. Frielt took has life in America in Karsas and Co-

of murder in the first degree before a oily consisted of William Daty and At this instant Mr. Leisman threw name can be refused bail. I have indice, their three children, Doty's father himself on the assassin and wrestled cated before the responsibility of these for possession of the revolves. Mr. cagaged in this riot and I need say no and mother, Mrk. Doty's mother and a servant girl. The house was situated in a ravine and was sweptaway by the torrent. Not one of the steeping occupants were left to tell the tale. The first known of the disaster was the finding of the servant girl lying in the yard of a neighbor some distance below where ported that the body of Doty and that

away without igniting the charge.

A termin of science has shown that is given that a favorite speaker will be seen that is not safe to count on his security it is not safe to count on his security it.
